The series featured a human host and a pair of robotic puppets who while being subjected to some of the worst films ever made provided ongoing hilarious and insightful commentary in a style popularly known as riffing. These essays represent the first full-length scholarly analysis of *Mystery Science Theater 3000* MST3K which blossomed from humble beginnings as a Minnesota public access television show into a cultural phenomenon on two major cable networks. The book includes interviews with series creator Joel Hodgson and cast members Kevin Murphy and Trace Beaulieu

**Christmas's Most Wanted™** Kevin Cuddihy, Phillip Metcalfe, 2005-10-31 It's the rare bird that doesn't like Christmas. Sure there are Scrooges and here and there cries of Bah humbug but Christmas is a time for celebrating, for giving and for trying to be just a little nicer to your fellow man. As the song goes, "If every day could be just like Christmas, what a wonderful world it would be." *Christmas's Most Wanted* is a celebration of the fun side of Christmas: the songs, the movies, the television shows, the history, the people, the laughs, even the commercialism, all that and more. So you'll see such top ten lists as different versions of both *The Twelve Days of Christmas* and *A Christmas Carol*. You'll read about traditions and the standard gift-givers around the world. You'll find out about how different song genres celebrate Christmas in music. You'll relive the great and not-so-great cartoons of Christmas past. You'll discover which television celebrities graced the world with their very own album of holiday tunes. And you'll learn about births, deaths, and historical events that occurred on Christmas Day. With more than forty top ten lists on all things merry, you'll laugh, you'll smile, and you'll learn a lot of interesting stuff about Christmas that you didn't know before. So curl up before the Yule log, pour yourself some eggnog, bite into a gingerbread cookie, and enjoy the book. Merry Christmas, Buon Natale, Feliz Navidad, and Erry may Istmas chray. However you say it, *Christmas's Most Wanted* will certainly bring a dose of merriment to your holidays.

[The 100 Greatest Christmas Movies](#) Scott Speed, 2022-12-04 The book that follows contains one hundred Christmas-themed movies and television specials that you should certainly consider watching during the festive season. The qualification for entry here is that each film should at least contain a Christmas scene or be set at Christmas. There are many perennial Christmas viewing

staples like The Wizard of Oz and Willy Wonka and the Chocolate Factory but films like this don't qualify for our book because they aren't set at Christmas. Films like On Her Majesty's Secret Service and Night of the Hunter DO qualify though because they have references to Christmas. That's how our list works. You'll find a very eclectic mix in the book that follows: Beloved television cartoons, comedy specials, obscure horror films, art house movies, action classics, stop motion animation, anthology segments, and even a few bizarre or cheesy guilty pleasures. The list that follows is truly a case of the sublime and the ridiculous at times. The connective tissue though is always Christmas. So put another log on the fire, get yourself a mince pie, and prepare to dive into the 100 Greatest Christmas Movies. **Eager Heart; a Christmas Mystery-Play** Alice Mary Buckton, 2012-01. Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *Super Powered Revenge Christmas* Bill Corbett, 2014-07-14.
